Dear Paul,

In response to your letter of August 21 which was in concern for Robert Jeff Keaton, the following is submitted:

A. Statements collected from boys and submitted to police.

B. Police statement updating the case.

C. General narrative (which is):

Jeff Keaton was a provisional unit leader, member of our camp staff, for the Council's Webelos Adventure Camp program. During the session of July 12-15, Mr. Keaton was alleged to have been involved with a sexual situation and contact with a couple of the campers in his group. He, according to the attached youth statement, had been talking about sexual situations with the Scouts during the day —— then, that evening, invited two or more of the boys into his tent, sat them on his cot and then made sexual overtures to the Scouts, touching them, asking about their awareness of sex, asking if they had ever had an erection and asking if he could help the boys to get one. Each boy ([redacted] and [redacted]) said no to this attention, left the tent area and told the adult leaders in their campsite, who in turn contacted us. We, in turn, talked with the Scouts, leaders and Jeff. We called the county sheriff and then asked Jeff to leave camp. The rest can be read from our previous report and this attached policy report.

SUBJECT: ROBERT JEFF KEATON

Dear Gus:

We recently received material concerning the above named individual. This is most helpful as we start a file which will lead to refusal of future registration attempts.

We would like to know what happened, since the report which you submitted does not really give any indication as what had been done to the two boys in camp. Copies of the statements which the two youth members gave would be most helpful to us for the future.

Please give us copies of the boys' written statements, and also a general narrative statement of what actually occurred. Otherwise, we have a very weak file and have trouble refusing registration should Mr. Keaton attempt it in some other council.

Thanks for you help in completing this file.

Sincerely,

Dear Mr. Keaton,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Russell B. Johnson
Council President
